## WHAT WARRING NATIONS CLAIM IN THEIR OFFICIAL STATEMENTS

French
PARIS, February 10.—The French
official communication to-day says: "The day of February 9 saw virtually only artillery engagements along the front. At some places this fighting was fairly spirited, particularly on the Aisne and in Champagne. Only one infantry ennagement, and this of little importance, has been reported. It occurred in Lorraine, to the northeast of Manonvillier, where one of our detachments drove back some outposts of the enemy on to the town of Leintrey."

The following official communication was issued by the War Office

"During the night of February 9-10 we blow up at La Boisselle three series of mines, and we suc-ceeded in occupying the excavations which we repulsed with the bayonet. "In the Argonne there has been artillery firing and the throwing of bombs on all sides, particularly in the region of Bolante and Bagatelle. According to the latest advices, it livered a very violent, but fruiteas, attack on the fortification of

'In Lorraine, at La Lisiere, east of the forest of Paroy, and to the north of that forest, our pdvance posts have easily repulsed an attack

The minor action reported in the communication issued at 3 o'clock to the northeast of Manonviller, ended in the pursuit of the Germans by our Hussars.

In the Vosges at La Fontenelle (Ban-dê-Sapt), an attack by the enemy has been checked."

German BERLIN, February 10 (by wireless, via London) .- Army headquar-

"With the exception of minor suc-cesses for our troops in the Argonne and on the west slope of the Vosces, near Ban-de-Sapt, and in the Hirzbach wood, there is nothing to report from the western theatre "Isolated fighting on the East

Prussian frontier developed at some points into greater engagements, which are progressing normally. "In Poland, on the right and left banks of the Vistula, the situation is unchanged."

## Austrian' -

VIENNA, February 10 (via London, 9:32 P. M.).-The official statement issued by the government to-

"The general situation in Poland and West Galicia remains unchanged. Fighting in the Carpathians continues. "Bukowina, as far as Suczawa, has been cleared of the enemy."

decide any great issue without a test of physical strength. It is a relie of barbarism. Both sides of this Senate story told by Frederick advors, now in the psychopathic ward at Bellevue Hospital, that he killed eight immates of the German Odd Fellows' Home at Yonkers. Their first step was to examine former Superintendent Bangert, of the home, and John Ring, a former employe, in jail at White Plains, as material witnesses.

Dr. Minas S. Gregory, of Bellevue, probably will report on Mors's mental to answer a roll call when there are three or four Senators in the chamber.

It is indered a johnt investigation of the story told by Frederick and of the story told by Fr

real stemach regulator known.

"Really does" put had stomachs in order—"really does" overcome indigestion, dyspepsia, gas, hearthurn and gourness in five minutes—that—just that—makes Pape's Diapepsin the largest selling stomach regulator in the world. If what you eat ferments into stubborn lumps, you belen gas and cructate sour, undigested food and axid; head is dizzy and aches; breath foul; tongue coated; your insides filled with bile and indigestible waste, remember the moment "Pape's Diapepsin" comes in contact with the stomach all such distress vanishes. It's truly astonishing—almost marvelous, and the joy is its harmlessness.

A large fifty-cent case of Pape's Diapepsin will give you a hundred dollars' worth of satisfaction or your druggist hands you your money back.

It's worth its weight in gold to men and women who can't get their stomachs regulated. It belongs in your home—should always be kept handy in case of a sick, sour, upset stomach during the day or at night. It's the quickest, surest and most barmless

ing the day or at night. It's the quickest, surest and most harmless stomach regulator in the world.—Adv.
